# Side by Side

# How our customers voice shapes what we do

### **Complaints**

We aim to resolve complaints in as short a time as possible and use what we learn to improve services

#### Surveys

We use surveys to gain further understanding of customers views towards our services.

### Chat 2 Aspire Events

These are big events where we'll go into our communities, talk directly to customers whilst carrying out a community focused activity.

### Feedback Surveys

Responses help us maintain the good things we do and address areas where we haven't met expectations.

### Tenant Satisfaction Measures

These perception-based surveys measure customer satisfaction and must be reported to the Housing Regulator, enabling comparisons with other housing providers.

# Community Living Scheme Meetings

Quarterly meetings to discuss scheme based issues and events.

# Community Walkabouts (Coming Soon)

Together, our colleagues, residents and other community partners will walk around our managed estates to identify community-based issues that need action.

## Aspire Housing Board and Customer Board Member

#### **OASIS**

A customer group that meets quarterly to monitor and challenge our performance against our promises.

#### **Customer Assessors**

Regular tests of our customer services, communal spaces and ready to let homes to ensure we are meeting expectation.

#### CARE

(Customer Advocacy and Resolution Evaluation)

A customer panel reviewing complaints, rating how they were handled and suggesting ways we could have done better.

#### HOME

Working with customers to monitor and develop services that keep our customers' homes safe and well maintained.

#### **Customer-Led Service Reviews**

In depth service reviews that result in specific recommendations that will improve the customer experience of the service.

### **Neighbourhood Customer Group**

Working with customers to ensure the Neighbourhood services we are provide meet the needs and expectations of our communities.

## Community Living Forum

Working with representatives from each of our Community Living Schemes to maintain, develop and improve our Community Living Services.

# Aspire 100 (Coming Soon)

A large group of online customers, providing valuable research and data through in-depth surveys, who also proofread key customer documents.

## Customer Services Group (coming soon)

This colleague and customer group will aim to improve our communication methods, specifically information delivery and engagement services.
